Dear Fellow NCBA Member:

Did you know that as members of the NAHB we have been instrumental in supporting over 350 pro-housing candidates for congress in the last election cycle? Housing is neither a Democratic nor a Republican issue, it's an American issue. BUILD-PAC supports all housing-friendly candidates, avoiding partisan politics. NAHB's BUILD-PAC is one of the most powerful political action committees in Washington D. C. It can remain that way only with the support of its members.

I'm asking you to join president Carl Capolupo and myself to become members of BUILD-PAC's Club 2012. For a mere \$20.12, you can make a huge difference and help directly in supporting housing friendly legislation. Please send your **personal donation*** via cash, check or credit card to our local NCBA office for processing. Use the form on the other side of this page to make your donation.

Thanks for your attention to this crucial and important building industry initiative.

Sincerely

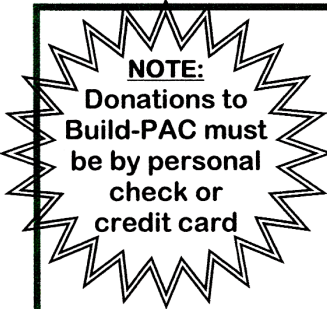

Gary

Gary L. Pollard
NCBA 2nd Vice President/State Director
