Debbie Morrison

Bank of America Home Loans
5457 Sheridan Dr, Williamsville, NY 14221
716-634-6233, ext. 227 fax: 716-634-7387
Email: debra.morrison@bankofamerica.com
www.bankofamerica.com

Debbie has been one of our most active members and a terrific supporter of the NCBA for many years. She has helped to secure Bank of America sponsorship of our activities, is a regular meeting attendee, has served on our board of directors, and most recently served a term as secretary of our association.

She has been in the mortgage business for over 20 years, and 16 of those years have been with Bank of America and Countrywide. She has extensive experience as an originator of home loans, and currently works as a mortgage coordinator for loan originators. She has also worked as a DE underwriter, VA LAPP underwriter and Conventional underwriter.

Debbie lives in Pendleton with her husband of 33 years, Ron. He currently serves as a councilman in the town of Pendleton. They have two adult children, Brian and Kathryn. When she is not working, Debbie enjoys candle making and sewing. She is currently having “fun” planning her daughter’s June 2013 wedding with her. Many things have changed in the 33 years since she planned the last one. Luckily there is plenty of time for planning and saving. They look forward to the expansion of their family and couldn’t be happier for them.

James Fittante

Fittante Architecture, P.C.
779 Cayuga St, Ste B, Lewiston, NY 14092
716-622-8737 fax: 716-754-4252
www.fittantearchitecture.com

Jim Fittante started his own architectural firm in 2010, after working in the industry for over 15 years with Cannon Design, Benderson Development and Silvestri Architects. With his own practice he specializes in design, planning and consulting, primarily for the commercial and residential markets. Jim is a member of A.I.A. and the Lower River Chamber of Commerce.

Some of Jim’s recent projects include the Sanborn Historical Society, Holy Family Senior Housing, West Herr Auto Dealerships, Napa Auto Parts, Anchor Marine and Market Square Retail Center in Henrietta. He also provides house plans for both new construction and renovation projects.

Jim is married to Susan and they have two daughters, Emily, 10 and Paige, 7. They live in Youngstown.

Jim’s interests include carpentry and scuba diving, and he enjoys helping friends and family with their residential projects. Get to know Jim at our meetings and events, and give him a call with your questions on design.

Tedesco Construction Services, Inc.

Jeff & Justin Tedesco

210 S. Ninth St, Lewiston, NY 14092

www.tedescoconstruction.com

Tedesco Construction is the second generation of owners and management personnel of the former Frontier Metal Buildings, Inc of Niagara Falls, NY, incorporated in 1973. For over 35 years they have specialized in the design and construction of Pre-Engineered Metal Building Systems. Their focus is on the industrial and commercial markets. Some of Western New York's highest profile projects are Tedesco jobs, such as Hamburg's Fairgrounds Gaming, the New York Power Authority, Dresser-Rand, Praxair and Linde. Their company is ranked 59th out of the top 100 metal building contractors in the U.S.

President Jeff is proud to point out that Varco Pruden Buildings has named Tedesco Construction Services as one of their Hall of Fame contractors. Varco Pruden is a design-build manufacturing firm providing pre-engineered steel systems construction for low-rise, nonresidential buildings from their Memphis, Tennessee headquarters.

Jeff and son Justin are Lewiston businessmen who recently joined the NCBA, and are already active participants in our meetings and activities. We WELCOME them into the NCBA, and appreciate their involvement!

Steve Simon

Unilock, Inc.

510 Smith Street, Buffalo, NY 14210

716-822-6074

fax: 716-822-6076

email: steve.simon@unilock.com

Website: www.unilock.com

Unilock has been providing superior concrete landscape products for the landscape industry for over 35 years and for thousands of homeowners and businesses. Unilock is a family-owned and operated business. They originally introduced the paving stone to North America back in 1972. Their products include a complete line of precast paving stones, segmental retaining walls and architectural pavers.

Steve Simon is a Sr. Territory Manager for Unilock who is well known to many NCBA members for providing quality Unilock products and services. Unilock products have been used in hundreds of projects throughout Western New York. Recent notable jobs for which Steve supplied materials include the LaSalle Park permeable paver parking lot and Fisherman's Landing Park on Grand Island.

Steve lives in Fort Erie with his wife Cathleen and Steve and Corey. He is an active scuba diver, and works with the Fort Erie Underwater Recovery Unit.
